

INSIGHTS DISCOVERY

To deepen your understanding of yourself and others, we utilize Insights Discovery, an in-depth personality assessment. This assessment includes an 18-page individual report for each participating in the Younique Experience. It facilitates a deep understanding of how your personality influences your approach to life, work, and others around you. In addition to self-discovery, this module will help you develop your interpersonal skills, improve your communication, and cultivate better relationships.

Insights Discovery Assessments are:
