

## Objective & Big Idea:

Allow people to share the highlights after having processed and internalized some of the insights gained from their preference report.

**BIG IDEA: Three-Way Listening opportunity: 1. To the Holy Spirit for counsel and conviction; 2. To one another for encouragement and insight; and 3. To ourselves for awareness and response.**

## How it Works:

Give participants 10 minutes to complete the Insights Reporting pages in their workbook.

Facilitate sharing: Give each person 3 minutes to share a few insights from the Reporting pages

## Coaching Tips:

Overview is the goldmine of insight in the participant report. Encourage participants to highlight what resonates with them and place ?? next to to where there is a disconnect. Before they disregard the ??, encourage them to ask someone who knows them well as it may be a blind spot. There may be a few ?? that simply do not connect and that is normal.
